Message from the Programme Coordinator

Dear learners,

Welcome to IGNOU SOFL,

This Self Learning Material or SLM which you have received from IGNOU has been specifically designed for the learners of Certificate in Russian Language. This SLM is being prepared keeping in mind the requirement and needs of today's learner. The SLM along with the Audio Visual Material or AVM will help you understand the basics of the Russian language. Since both SLM and AVM are integral in nature, which will enable you in Reading, Writing, Listening and Speaking Russian in a better way. In the AVM we have included some more interesting activities for practicing oral communication in Russian. By doing this you will be able to become more conversant in Russian language. Further, dialogues and texts have been given to make you understand the common Russian words and expressions more efficiently.

Throughout the SLM you will find various activities with "Listen, read and learn; Listen and repeat; Listen and speak; Listen and pronounce" etc. captions. Look for the media sign

like this  which means the same activity can be listened to through the Audio Visual Material or AVM (provided to you separately in the form of CD) if you go directly to the designated activity number (bearing same block and unit number in the AVM). For simplicity, all blocks and units (both SLM and AVM) have been indicated with similar activity number so that you face no difficulty in listening to the activities. We strongly recommend you to listen to all activities given in the audio/visual format for better comprehension and understanding of the SLM. In this regard, your academic counselor at the designated Regional Centre/ Study Centre will guide you further. We also strongly advise you to attend all your counselling sessions regularly.

I wish you all the best!
